

An Integrated Approach to KS3 Curriculum Provision

All students access the full national curriculum at KS3 and our new creative National Curriculum model involves 5 areas of learning :

- Communicate - Understanding communication and building confidence through English Language, Poetry, English Literature, Reading, SPAG, Literacy Gaps Intervention, Literacy Targets, Personal Target Reflection and RAG, Daily Points Reflection and Car Move, Animal therapy - Guinea Pig Therapy & Stable Relationships, Behaviour Reflection
- Healthy Lifestyles - Understanding healthy body and mind through BTEC Jamie Oliver Cooking Award, Healthy Eating, Mindfulness, Life Skills Programme, PE Theory & Practical
- Problem Solving - Understanding problem solving and experimentation through Maths, (Numeracy Gaps Intervention), Science Theory & Practical
- Life - Understanding the world and the importance of kindness through SMSC/MBV, Life Skills Programme, International Days, Humanities
- Create & Explore - Understanding the arts, technology and physical/mental challenges through Cultural Arts, glass Making, Residential Trips – The Edge

Communicate including curriculum trips	Healthy Lifestyles including curriculum trips	Problem Solving including curriculum trips	Life including curriculum trips	Create & Explore including curriculum trips
